resubmitted for consideration at any time.

### **§ 1001.5 Application review and selection process for negotiations for funding agreements.**

Upon acceptance into the applicant pool, the OSG will assign to each tribe or consortium a ranking relative to other applicants based upon the date the OSG receives the complete application package. This ranking will constitute a master list that will be maintained and updated on a continuous basis from year to year. When receipt dates are the same for two or more applications, several other factors will be considered in determining the placement of the tribe or consortium on the list. These factors are identified in priority order as follows:

(a) Designation by the Congress through report language that a tribe should be considered for participation. These designations will be considered based upon the actual language of the report.

(b) Documentation of OSG sanctioning of the tribe's self-governance planning and subsequent evidence of actual planning by the tribe.

(c) Submission of a completed planning or negotiation grant application in the previous year.

(d) A signed agreement pursuant to the Indian Health Service (IHS) self-governance project.

(e) Receipt of a planning grant awarded by the IHS.

### **§ 1001.6 Submitting applications.**

(a) Applications for inclusion in the applicant pool will be accepted on an on-going basis.

(b) Applications may be mailed or hand-delivered.

(c) Applications for negotiations in 1996 that are mailed must be postmarked no later than May 16, 1995.

We will publish notice of availability of grants in the FEDERAL REGISTER as described in this section.

(d) May a tribe use its own resources to meet its planning and negotiation expenses in preparation for entering into self-governance? Yes. A tribe/consortium may use its own resources to meet these costs.
